DAKOTA GRAPPLER

Our Organization…
The Dakota Grappler is an amateur wrestling magazine with editing, writing, design and a sales staff. We have published a variety of wrestling magazines. Our goal is to make the Dakota Grappler preview a high quality and timely preview of North and South Dakota wrestling.

Dakota Grappler Preview Info…
The *Dakota Grappler Preview* is your guide to all wrestling teams in the Dakotas for the upcoming season. This includes all teams big and small that the high school activities associations recognize as has a team and participates in the sport for the year. The size of the book is a 8.25" x 10.75" and is approximately 168-184 pages in length. The book displays a colorful cover with pictures of players, teams and coaches. The *Dakota Grappler Preview* is printed with the highest of quality and is distributed before the start of the wrestling season, generally the 2nd or 3rd week of November. The issues is distributed, free of charge to all the high schools through the wrestling coaches. Every advertiser also gets a complimentary copy. Many also distribute them to the communities. Several thousand books including digital copies are also get to fans in both states.

The Benefit to Advertise: The Dakota Grappler is a two statewide exposer magazine for your company. It especially pushes into the rural areas of North and South Dakota where hard working people take pride in supporting their local athletes and support wrestling.

Dakota Grappler Contains: an annual statistical book portraying the wresting programs, players coaches and schools in both States. All High School classes A and B and even college wrestling teams are represented in the book. Head Coaches, sports information departments, are solicited to supply some of the information for the book, including:

1. Their commentary concerning their perceived strengths and weaknesses of their team as it relates to the upcoming season.
2. Their top returning prospects, including information requests for names, year in school, possible weight classes, and individual honors received last wrestling season
3. Individual photographs.
4. Coaching photographs.
5. A list of all-conference, all-region, place winners, and all American's from last season and off seasons.
6. Individual statistical leaders from last year, including graduated and non-returning wrestlers
7. Prior year results.
8. Their personal predictions and forecasts for the upcoming season.
9. Where previous wrests are wrestling in college.
10. If there are any transfers or new athletes out for the sport.
11. Many articles are written just for this preview edition and treasured for years.
